	Diploma	18 Months	C-	TVET	18,000	6
Computer operator	Trade Test	1 Year	OPEN	NITA	13,000	4
Cisco IT essentials	Professional	36 Months	OPEN	CISCO	20,000	12
Management information System	Diploma	36 Months	C-	ABE	20,000	12
Professional Computing and information processing	Level 4	12 Months	C-	ICM	18,000	4

ARCHITECTURAL DESIGN

1. Auto CAD
2. Archi CAD
3. Piranessi

8 Weeks - *Ksh: 15,000/-

STATISTICAL PACKAGES

1. Statistical Theory
2. MS Project
3. SPSS

8 Weeks - *Ksh: 12,500/-

ACCOUNTING PACKAGES

1. Quick Books
2. SAP
3. Pastel Partner
4. Pastel Evolution End - user
5. Sage 50 Accounts

6 Weeks *Ksh: 9,000/-

PROGRAMMING AND SOFTWARE DEVELOPMENT

COURSE NAME	Technologies	Duration	Fee Ksh
Basic Programming	C, C++, Python	2 Months	25,000/-
Intermediate Programming	Java, Python, Algorithms	3 Months	33,000/-
Embedded Programming	Arduino, C++, Raspberry Pi	3 Months	28,000/-
Advanced Programming	Java, Python (Advanced)	4 Months	54,000/-
Front-End Web Development	HTML, CSS, JavaScript	2 Months	15,000/-
Back-End Web Development	Node.js, Django, RESTful APIs	4 Months	30,000/-
Mobile App Development	Flutter, Dart, Firebase	3 Months	25,000/-
Full-Stack Development	HTML, CSS, JavaScript, Python	5 Months	40,000/-

Beginner-Level Courses

- Python basic 10,000/-
- Java 9,000/-
- C#, C, C++ 8,000/-
- JavaScript 7,000/-

*Duration: 3 Weeks

CISCO ACADEMY

1. Cisco Networking Essentials. - An entry-level course
2. Cisco Certified Network Associate - Foundational course
3. Cisco Certified Network Professional

*Ksh: 20,000/-

WHY DIGIVIEW TRAINING INSTITUTE

- * Guaranteed :-** To meet your needs and expectations through our courses.
- * Certifications :-** Industry recognized certification to add to your workforce values.
- * Cost Effective :-** We create innovative training solutions that work for your business and as well account for the results.
- * Reliable :-** Low downtime and high efficiency of On-site and Virtual-Live Online Training.
- * Course Customization :-** Course content and learning methods are customized to match to your personal goals.
- * Hands On Virtual Lab :-** Hands-on experience on Digiview Labs to make your software training courses even more interactive and engaging.

VISION

To be the leading tech hub in Africa where tech talents are identified and nurtured to make a difference within Africa and the world at large

MISSION STATEMENT

To Discover, Enrich and Build Tech Talent Through Transformative Tech Based Learning.

CORE VALUES

- * Creativity
- * Gender mainstreaming
- * Transparency
- * Networking linkages
- * Accountability
- * Partnership building
- * Innovation

Ignite, Innovate, Inspire...

COMPUTER AND DIGITAL SKILLS TRAINING COURSES

Computer Applications
(Office softwares, email, & internet, career guidance & Entrepreneurship)

***Duration: 1- 3 Months**
***Fee: Ksh. 5,000/-**
